The main program was Lemonade Day. **Gina Spagnola, Lauren Milo, Elizabeth Rogers Alvarado and Jennifer Goodman** explained the entrepreneurship program geared toward children. Students sign up to sell lemonade, obtain financial support, are obligated to pay any loans back and they construct their stands. In addition, participants are encouraged to donate a share of their profits to a local non-profit. Gina showed a video about last year's Lemonade Day. Students who participated shared heartwarming stories. The next Lemonade Day is May 3, 2015.
