Program

John Zendt introduced Jim Gentile as our guest speaker. Jim taught us how to “make every hour in your life Happy Hour”! He said “having a positive attitude in life will help you during times of adversity, and enjoying humor will help put things in perspective. Look in the mirror every day and see good, because what you see is what you get! Put a smile on your face, and it will make your day better! See

what power you will have by being positive! Give people a compliment and tell them that you love them. Never tell yourself a negative about yourself...others will do that for you. If you think positively and have positive, powerful thoughts, your life will be better! Also...never underestimate the power of a woman☺. Remember what you do today is important. You exchanged a day of your life for it!"

You can subscribe to his free email newsletter by giving him your email address.

The door prize was awarded to **Mike Guarino**

Of the Things we think, say or do:

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and better FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned
