Today's Program:

Cheryl Green introduced today's speaker, **Lois Gibson**, (pictured right) a renowned forensic artist who has appeared on many television shows. Lois meets with victims to have them remember the face of the criminal and she draws what the victim describes. She is "very good" at doing this and is even in the Guinness Book of World Records." Over 1,266 felons have been brought in through her sketches. She talked about her experiences leading up to her current position, a fulltime forensic artist with the Houston Police

Department where she has been for over 7 years. She displayed her artwork on PowerPoint and showed a sample of her sketches of criminals that showed uncanny likenesses to the real photo. There are only 19 fulltime forensic artists in the US and Lois said that her new mission is to promote and recruit more.

Pictured left are Randy Klibert, Tom LaRue, Gene Curry, Helen Appelberg, DG Ulli Budelmann and Ray Pinard showing the check for \$7,150 that our club raised for Meals on Wheels!

THANK YOU BETS ANDERSON for taking notes!
